

Del's Feed and Farm Supply is proud to announce our Student Reward Program. It is our goal to develop a program for both Lifestyle and Market Stock Projects that will give our school-age customer an incentive to shop at Del's for all their project related needs. Del's Student Reward also gives us a program that will enable us to give back to the community and support the youth in the markets we serve. At the completion of a Student's Project, Del's will reimburse 15% of the eligible purchases in the form of a Del's Gift Card. We will also show our support during the County and State Fair seasons.

**Here's how you qualify for the Del's Student Reward Program:**

1. Complete the Del's Student Reward Program application and submit it to your local Del's Store Manager. While purchases can be made at any Del's location, the store you submit your application to will be your "home" Del's store for the duration of your project. Your "home" Del's store will be responsible for your gift card reimbursement. They will also support you at your Fair if you select "Market Project" on your application.
2. Upon approval, eligible purchases during the length of your project will begin to accumulate towards your gift card reimbursement. Qualifying purchases include Feed, Animal Health & Show Supplies. The calculation of your 15% reimbursement will be based on the retail amount of the items purchased. Taxes will not be included.
3. Del's will provide a cost sheet and envelope for students to track their applicable purchases. The Student will be responsible for the accuracy and completion of the cost sheet.

**Seven days prior to a student's local, county or state fair, envelopes with cost sheets & Del's receipts must be presented to the "home" Del's store for gift card reimbursement. Maximum reimbursement is \$200.**
